This year's theme, Raiders of the Lost Treasures of 1987, is a take-off of the movie Raiders of the Lost Arc. This theme came about while Tanya Gullicks, Lisa Carlson, and Mrs. Paczkowski were at yearbook camp during the summer. The legendary Indiana Jones searched for the precious treasures of the past, just as we, the 1986-87 annual staff, hope you will enjoy the memories of your school annual.

The 1986 Region II Champions And Coach Of The Year

Coach of the Year Mr. Jeff Houdek

They boldly went where no F-S football team has ever gone before. This Raider team qualified through state semi-finals, remained undefeated during the regular season, and won the Region II berth outright.

Ending the season with an 11-1 win-loss record proved to the fans and the players that they had what it took.

Another first for the F-S's football team and the Raider fans was having their coach named North Dakota's Coach of the Year. As first year head coach at F-S, Mr. Houdek deserves special recognition on the excellent coaching job he did this year.

Congratulations! Raider Pride goes a long way!

Now You're Getting The Hang of It.

Making the jump from elementary to Jr. High, the seventh graders enjoyed an eventful year at Finley-Sharon. They participated in Jr. High basketball, football, cheerleading and track. Classes changed this year as the seventh graders were in typing, art, Home Ec., and Vo. Ag. for one quarter each. Defeat came to the seventh grade as they lost the Homecoming float competition and the volleyball tournament.

The eighth grade started out the year by making their Homecoming float "Whip the Warriors." They also participated in the annual Christmas volleyball tournament. Although they didn't advance in the competition, the eighth graders had a lot of fun. In addition to schoolwork they also participated in extracurricular activities such as football, band, basketball, cheerleading, and track.

The eighth grade float "Whip the Warriors"

The "1990" freshmen class had a memorable year starting high school. They had many more privileges to join extra curricular activities than in previous years. Some of the memories from the 1986-87 school year were the many mistakes in Drivers Ed., the fun road trips they took for girls' basketball, and the Homecoming float, "Waste the Warriors," that just didn't look right.

The Sophomore class is now into the swing of things in high school. They built a big bonfire for the Homecoming festivities. They also got second place for their Homecoming float "Dew it to "Em." The sophomores are also punch pourers for the prom.

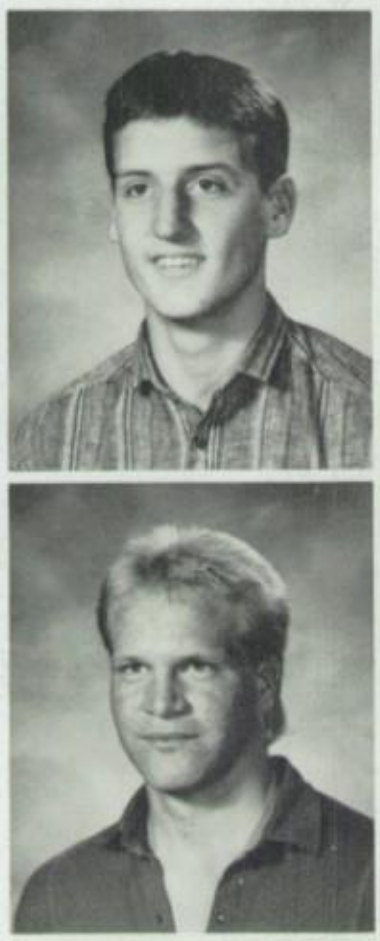
Show A Little Backbone!

Only One More Year.



The Junior class started out the year doing the traditional magazine selling. Chris Gebeke was the top salesperson. Another fundraiser for the prom was selling concessions during boys' basketball season. The highlight of their year was working on the prom to out do the year before. They also received their class rings as part of their exciting year.

The Juniors also designed their Homecoming float, "Wall Up the Warriors." In the annual Christmas volleyball tournament the Juniors were narrowly defeated by the Seniors and ended up with third place. Next year, they look forward to being the mighty seniors.

Lenny Luvs Life At F-S

Our FS Swedish exchange Student was Lenica Hannson, who spent the year with the Bob Schmaltz family.

Lenica is the daughter of Kenneth and Anita Hansson. She was born in Orsa, Sweden on November 11, 1969. She presently lives with her mother and sister in Mora, Sweden, which has a population of about 20,000 people.

Lenica was involved in many new and interesting activities at FSH. They included basketball, FHA, chorus, track, and the Jr.-Sr. class play. She enjoyed all the new experiences but admitted that it was quite different from home. While extra curricular activities were very relaxed in Sweden, Lenica discovered they were a major part of an average day at FS.

Spending the year in North Dakota, she had the opportunity to travel among other states as well. Her first trip was to Seattle, Wa. with her host family during Thanksgiving. They drove to Wa. which gave her a chance to view other states along the way. Second, in January, she spent 9 days with other exchange students in the U.S. They left from Minneapolis on bus and drove to Washington, D.C. and New York City. She said it was one of the most fun and exciting things she had done during her stay. Also, her best friend from Sweden was staying in Minnesota. So, they both visited each other's communities and met a variety of new people.

Lenica's favorite past time is down hill skiing. In Mora, she went almost every weekend because Sweden offers many ski resorts.

One of Lenica's proudest moments was receiving her driver's license. Before coming to the U.S., Lenica had never driven a vehicle. Cindy was the first person to take her out driving. Lucky for both of them that there wasn't much traffic that day!! After many hours of practice and going through the Drivers Ed. course, Lenica successfully earned her driver's license.

Upon returning to Sweden, Lenica will have 2 years of school remaining. Her future plans include becoming a Travel Agent. (Probably so she can get free tickets to come back and visit us!)

What Would We Do Without Them!
These people are the backbone of
our school;
We think that they're really cool.
The secretaries are there for one and
all.
They solve our problems big and
small.
Without the janitors we must
confess,
That our beloved school would be a
mess.
The librarians work hard all day,
Checking out books and putting
them away.
The bus drivers take us to where
we're supposed to go.
Whether the sun is shining or it's
blowing snow.
And last of all, there are the cooks,
Without them we'd eat our books.
So this poem we'd like to close,
By saying, "Thanks, you're all pro's"

The FHA chapter did many activities this year. They started out by selling mugs, Christmas tree ornaments, spook insurance, and holding a car wash for fund raisers. The chapter also participated in various public service projects to help brighten the community. These activities included cleaning ditches, sponsoring 4 preschool parties, selling N.D. Centennial pins for the Steele Co. Centennial Committee, sewing costumes for the elementary music program, serving as Brownie Scout leaders, making Halloween favors for the Cooperstown Hospital, and distributing materials for the American Cancer Society. They also sponsored a Valentine Dance where the chapter recruited Paul K. and Kyl B. as DJ's.

The F-S branch of the FHA also had many honors and awards bestowed upon them. The Chapter received the Phi Upsilon Omicron Outstanding N.D. Chapter Award. For this, the girls and Mrs. Taylor deserve a big congratulations. STAR Events winners participating at the state level were Kristie G. and Susan B.- Little Friends; Wendy Johnson- Job Application; Trista A.- Family Communications; and Wendy Jacobson- Illustrated Talk. Another member deserving recognition for her achievements is Tanya G. who was elected President of the District. Congratulations to all of you!

What a year for the F-S FFA Chapter! In October they won the FFA District Four "Chapter of the Day" award. In order to accomplish this task, every member in competition that day had to receive a gold award and that is exactly what they did.

Shane H. won a gold award in the extemporaneous public speaking contest; Jeff L. won a gold in the creed contest; Michelle C. won the sweetheart contest; and Ray P. and Shannon B. won a gold in the exchange of ideas contest. Jeff C., Sandy L., and Mark L. received a gold in the demonstration contest; and Matthew J., Michelle C., and Shane H. won a gold in the quiz contest. The officer team of Michelle C., Ray P., Lynn L., Shane H., Jerry S., and Shannon B. won a gold team award. All officers received individual gold awards. This was the first time in the history of the F-S FFA that they have won the "Chapter of the Day" award at a district competition. All members were very proud of this accomplishment.

The chapter participated in many other activities such as BOAC, judging contests, and the annual awards presentations. This year's DEKALB award winner was Michelle C. and the Star Chapter Farmer was Sandy L. The Star Greenhand was Jeff L.

The FFA chapter ended its year by competing at the state convention in June.

Music To Soothe The Savage Beast

The goals for the concert band this year were to work on rythmic skills, tonal balance, and style. Their goals were partly achieved although more work was needed. The major accomplishment was performing for the region competition. A disappointment this year was the lack of maturity at times from the upperclassmen. Next year Mr. Kuehl hopes to develop a solid curriculum of skills and musicianship in the band. Those who are to be recognized for leadership are Brent G., Karen N., Tanya G.; ability: Brent G., Karen N., Tanya G., JoAnn P., Kyl B., Dave C., Mona L., Kari D.; most improved: Ray P., Mark L., Deb H., Jenny M., Trista A., and the clarinet section. An amusing happening in the band was when they found out how versatile Kyl B was or thought he was.

Mr. Kuehl would also like to thank Mr. Foster Hager for his guidance and support of his teaching efforts during his years as superintendent. He would also like to thank the pep band members for their hard work and dedication. These people deserve congratulations. Mr. Kuehl is especially proud of their attitude towards playing in the tournament on the Wednesday following "Black Tuesday," November 11, 1986.

This year most of the goals f the chorus were achieved. Th goals of range, development, ba ance, and improvement of sigh singing skills were met. Howeve tone was hard to achieve witho the proper breathing skills. Th major accomplishment for th chorus was the development the altos. Next year Mr. Kue hopes to work on stronger disc pline and breathing skills. St dents being recognized for sp cial achievements were as fo lows: leadership and dedicatio Paul K., Brent G., Shane H., Jer S., Laura B.; ability: Paul K Brent G., Shane H., Jerry S., La ra B., JoAnn P., Deb H., Tere A., Tanya G.; most improve Paul K., Jerry S., Deb H., Bre G., and the freshmen. To end t year on a lighter note, the mo unusual happening in the chor was the day the tenors decid to be heard.

Band And Chorus

Jr. High And 5th And 6th

By placing high expectations on himself and his band, Mr. Kuehl and the Jr. High have achieved several goals. By doing this, the students were exposed to different musical experiences while Mr. Kuehl tried to smooth the transition of elementary to high school. Mr. Kuehl noted that Roger P., Chad G., Brian J., and Anji H. showed excellent leadership. He added that the Jr. High band will have a more comprehensive curriculum in years to come. Mr. Kuehl commented, "I would like to commend my Junior High band on their positive attitude and improvement in playing skills."

The main goals of the fifth and sixth grade band members are to work on beginning skill developments. The highlight of their year was the spring and winter concerts. Next year will continue with more skill development. Mr. Kuehl noted that at the fifth grade level it was too early to recognize leadership but dedication was among them all. In the sixth grade Jennifer N. was noted not only for leadership but also ability. Mr. Kuehl hopes his band will continue to work hard.

An "Annual" Adventure

One of this year's greatest adventures in annual was attempting to tie the headlines in with the theme. The staff met on Tuesdays and Thursdays after school in the library. Under the leadership of their advisor, Mrs. Paczkowski, and their editor, Kate Asp, they kept busy designing pages, cropping pictures, and keeping the theme in mind.

Paper Staff: A Journey In Journalism

The RAIDER REVIEW took on a new look when the 1987 paper staff computerized their four issues. Once again the staff proved that they work well under pressure. Co-editors Cindy Meldahl and Michelle Thykeson and advisor Mrs. Paczkowski wish to thank the staff for their help in making Raider Review '87 successful.

"In general, it was just a great season." This comment was the one received most often when the seniors were asked what they liked about the season.

The F-S football team started small with 14 players and then gained the freshmen after their season.

The team set many F-S records for future teams to break: 1. Winning the Tall Towers' Region II berth outright 2. Being undefeated in the regular season 3. Making it to the semi-finals 4. Having the defense set a record for least pts. allowed, a total of 35, during the season.

"All the individual and team honors received were just a reflection of the unselfish hard work the staff and athletes put forth towards achieving their goals," said Mr. Houdek. The honors include All Region: Rob H., Dave C., Brent G., Ray P. Hon. Mentions: Jason N., Lynn L. All State: Rob H. Hon. Mention: Dave C. Rob H. also won the Thom McAnn Scholar Athlete and played in the Shrine FB game.

Mr. Houdek was named Coach of the Year. Congratulations for a job well done!

Girls Ranked Number 1 For Entire Season

Captains: Karen Nerdahl, Cindy Meldahl

"Look it, Kari (24), I made it," says Jo Ann P.

Having a team ranked No. 1 in the state for the entire season is quite an accomplishment. This year the girls' BB team was just that. However, their season was cut short in the region tournaments when they lost to Lakota.

These young ladies are to be commended for their regular season highlights. Some of these are defeating 6 teams that were rated in the top ten poll of the state, an undefeated regular season, and RRVC and District 5 championships.

All the girls should be commended for their excellent season. Those deserving special recognition are those who received awards. These are All-Conf.: Michelle T., Karen N., Deb H., Cindy M.; Hon. Mention: Kari G.; KMAV All-Area Team: Michelle T., Karen N., Deb H.- 1st team; Cindy M.- 2nd team.

Winning the conference title and competing in the regional tournament were just a few of the season goals of the Varsity Basketball team. "Our season goals were not reached even though we played well the last half of the year. However, when we did play well, many of our game goals were met," stated first year Coach Orvik. He feels the major accomplishment the young men received was the turn around the team obtained from the first half of the year to the second half.

The seven seniors on the team were Paul K., Jason W., Dave C., Mark L., Brent G., and Sean J. All contributed to the team with their hard work and dedication.

Girls' JV, Kneeling: Mr. Tollefson Standing: Holly U. Jan S., Brenda K., Lenica H., Ronda K., Lisa C., Jenny M., Kari D., Trista A., Stacy N., Laura B., JoAnn P., Tracy D., Wendy J.

The Girls' Jr. Varsity finished their season with a 12-4 record. Some of the highlights of the season included defeating a much larger May-Port squad and Coach Tollefson hitting his 100th win. Coach Tollefson said all the girls worked hard and would especially like to recognize Laura Baesler and Kari Dekker for their dedication.

Boys' JV, Kneeling: Ryan B., Jeff L., Jeff N., Lynn L., Shane H., Jeff B., Chris G. Standing: Patrick D., Corey B., Bryan O., Scott H., Randy M., Shannon B., Coach Houdek

The 1986-87 Boys' Jr. Varsity basketball team enjoyed a fine year, finishing with a 15-4 record.

The team finished second in the B-Squad tournament losing to Northwood in the championship. "The season was a tremendous success," according to Coach Houdek. "It showed the results of hard work and dedication."

Freshmen Boys' BB: Coach Houdek, Jeff L., Patrick D., Scott H., Bryan O., Jeff N., Ryan B., Jeff B.

"It was a good experience for them if they continue their basketball career." This quote came from Mr. Houdek, who also coached the Freshmen team. The freshman boys formed a team and played other teams around the area. They finished their season with a 3-2 win-loss record.

"We need to build the boys' program to being a competitive team, and we also want to keep the girls at the level they are now." Those were two of the goals Coach George Ziegler has for next year's track team. One of the goals this year for the boys' team was to qualify for the state track meet in the 400 meter and 800 meter relays. Two goals for the girls were to defend the RRVC Indoor and to challenge for the State Indoor.

Mr. Ziegler would like to recognize the seniors for their great efforts and leadership this year. He stated that they would be greatly missed, and he felt it would be difficult to fill their shoes.

Many school records were broken. Deb H. broke the girls' 300 hurdles record. Boys' records that were broken were the pole vault and 200 meter dash, Kyl B.; shot put, Jason N.; javelin, Lynn L.; discus, Brent G.; and the boys' 400 meter and 800 meter relays.

"We had a great year, and we had a lot of fun. The athletes worked hard and made this a very enjoyable year," said Coach Ziegler.

Jr.-Sr. Class Play: More Work Than Play

Soft Soap was the ultimate spoof of soap operas. We all tend to get "in" to soap operas, but Betty Brown, a senior at Midwestern Tech was so "in" to soap operas that she actually transferred herself bodily from the student lounge right into the television screen and the uproariously lurid world of "Yesterday's Tomorrow," America's most popular daytime drama. The audience witnesses Betty save Spring Weatherby, the lovely heroine, from being shipped to the diamond mines of Brazil by the evil Tempest Frost, head nurse at Weatherby General Hospital. Tempest had already discarded Matt Turney, the town attorney and husband-to-be of Rain Flood , a nurse. The audience witnesses Betty bring Spring's father, Clement, out of his amnesia to prove Spring's mother, Misty, did not kill Rain Flood. Betty also tries to unite Spring with her true love, medical resident Dr. Sonny Skize. Meanwhile, young Tommy Smith, the senior who loves Betty, works with Sally, Betty's roommate and Professor Gold, the absent minded professor, to get Betty out of the television world and the clutches of the villianous Hale Storm.

As the play concludes we have Flash Flood, a plumber and Mrs. Flood's ex-husband, and Steve Jones, the professor's assistant, and Spring Weatherby show their true characters while Tommy and Betty, along with their college friends, transfer their molecules to happiness.

Science Fair Reveals Scientific Treasures

This year the science fair was under the direction of Mr. Thompson, our new science teacher. He had judges from Mayville State this year to judge the projects. They sent 19 to the regional science and engineering fair in Valley City. At the region, 3 advanced to state. These were Jeffrey Babinski, Rhonda Paczkowski, and Chad Good. Brian Lyste received an alternate certificate. Others who attended regionals were Eric Meldahl, Diane Rue, Leah Braaten, Lisa Nettum, Brian Bunnel, Tara Qualey, Kevin Olson, Anji Holden, Ryan Monson, Jeff Lund, Bryan Olson, Ryan Baesler, John Kimmes, Tanya Gullicks, and Trista Anderson. Trista Anderson also received the Outstanding Project Award at our local science fair.

Speech Team Sends 4 To State Competition

"Ethel, where are you?" asked Sean Jazowski.
"I don't knowww," responded Wendy Jacobson spontaneously, trying to cover a loss of place error while practicing "On Golden Pond."

Errors like this one in practice not only helped liven up the day but also stressed how important it was for speech members to be familiar with their selections. It was this dedication that kept the 1987 Speech team busy.

FS's second year speech team competed in the Tolna Invitational and the Wimbledon-Courtenay Invitational in preparation for the Regional Meet in McVille, where 4 students qualified for State in 3 events.

At the state, Michelle Carlson placed sixth in Sp. to Persuade; Mona Lovro placed fourth in Sp. to Inform; and Wendy Jacobson and Sean Jazowski competed in Dramatic Duo. Other members who placed at the Regional Meet were Sean Jazowski, 3rd in Radio Broadcasting; Jeffrey Babinski, 4th in Extemporaneous Speaking; Trista Anderson, 3rd in Sp. it Entertain; Tanya Gullicks, 3rd in Extemporaneous Interpretation; and Tracy Dronen, 3rd in Sp. to Persuade. Other competitive members were Cindy Meldahl, Kate Asp, Cindy Schmaltz, Susan Baldwin, Brenda Kroeplin, and Jenny Martin.

Row 1: Wendy J., Susan B., Trista A., Tracy D., Brenda K. Row 2: Cindy S., Jenny M., Mona L., Kate A., Mrs. Paczkowski Row 3: Cindy M., Michelle C., Tanya G., Sean J., Jeffrey B.

Members were Alternate Teresa Albrecht, Michelle Carlson, Tanya Gullicks, Brent Gullicks, Charles Asp, and Shane Hanson.

Acalympics Team Ties For Third

This year the F-S Acalympic team consisted of two seniors, three juniors, and one sophomore. They competed against several area schools at the competition held in McVille. The teams were required to answer questions in the categories of math, language arts, current events, science, social studies, and other electives. It ended up in a three way tie for third, with Hope taking first place.

FFA-FHA Honors Awarded

With Cindy Schmaltz as master of ceremonies and Tanya Gullicks, District 10 FHA/HERO President, doing the welcoming, the awards ceremonies got under way. Special appreciation awards were presented to the chapter mothers Cheryl Nerdahl, Janice Thykeson, and Sonia Gullicks. "You've Got It — Share It! Knowledge, Enthusiasm, Creativity" awards were given to JoAnn Petersen, Clothing Construction; Cindy Schmaltz, Leadership; Lenica Hansson, Cardiopulmonary Resuscitation; and Michelle Carlson, Specialty Foods. State STAR Events participants receiving medals were Susan Baldwin, Kristie Good, Wendy Jacobson, Trista Anderson, and Wendy Johnson. Jennifer Martin received a certificate for her completion of the Powers of One Project. Members earning the Honor Roll for Growth Status were Tracy Dronen, Wendy Johnson, Brenda Kroeplin, Ronda Kvislen, Jennifer Martin, Stacy Nettum, JoAnn Petersen and Jan Storebo, freshmen; Trista Anderson, Lisa Carlson, Kari Goughnour, and Tanya Gullicks, sophomores; Teresa Albrecht, Laura Baesler, and Wendy Jacobson, juniors; Susan Baldwin, Kristie Good, Cindy Meldahl, Karen Nerdahl, Cindy Schmaltz, and Michelle Thykeson, seniors. Those receiving FHA participation certificates were Kari Dekker, Deb Haraldson, Karen Jacobson, Mona Lovro, Lenica Hansson, and Cari Moe.

Those receiving special awards were Kristie Good, the most valuable FHA member; and Mrs. Taylor, a special plaque for her work as chapter advisor.

At Ice Cream Social

The FFA - FHA/HERO Ice Cream Social was held on March 17. Many FFA members received special awards and awards for proficiencies. Proficiency awards were given to Bryan Anderson, Poultry Production and Jeffrey Babinski, Ag. Placement. Degrees earned were Jeff Lund, Star Greenhand and Sandy Leslie, Star Chapter Farmer. Michelle Carlson received the DEKALB Award, a crown for being chapter Sweetheart, and an award of appreciation for being chapter president. Other awards were Paul Vareberg, Outstanding Shop Student and Jason Rayner, Outstanding Record Book. Special awards were given to Ruth Nathan and Ruth Babinski for their time and efforts in helping the FFA members.

Also receiving special awards were Dave Caswell, Honorary Chapter Farmer Degree and Noel Asp representing the SCS, Distinguished Service Award.

Treasures Can Be Found

The student council wheels away.

Annual staff members bid you farewell.

Throughout this book, you've been searching for the "Lost Treasures of '87." I hope by now you've found them. The treasures of '87 were the memories. You see, memories are to be treasured because, soon enough, they're all you have left.

Now, it's time for me to thank everyone who helped the annual staff throughout the year with various favors. Those who I'd especially like to thank are as follows:

-the Steele Co. Press- They saved me many times by letting me use their pictures and also taking pictures for us. What would we do without you?!

-the staff members- All helped in the best way they knew how. Those I'd like to single out are Tanya G., Cindy S., Michelle C., Stacy N., Jeff L., and especially Jeffrey B. Thanks a mil!

-the faculty- You put up with the disruption to your class periods during picture days, and also my "bad days."

-Mrs. Paczkowski- What can I say? You're the advisor. We've spent many late nights in the library working on annual.

If I missed anybody I'm sorry. Thanks again everyone. These have been 2 wonderful years as your yearbook editor. Goodbye, y'all!
